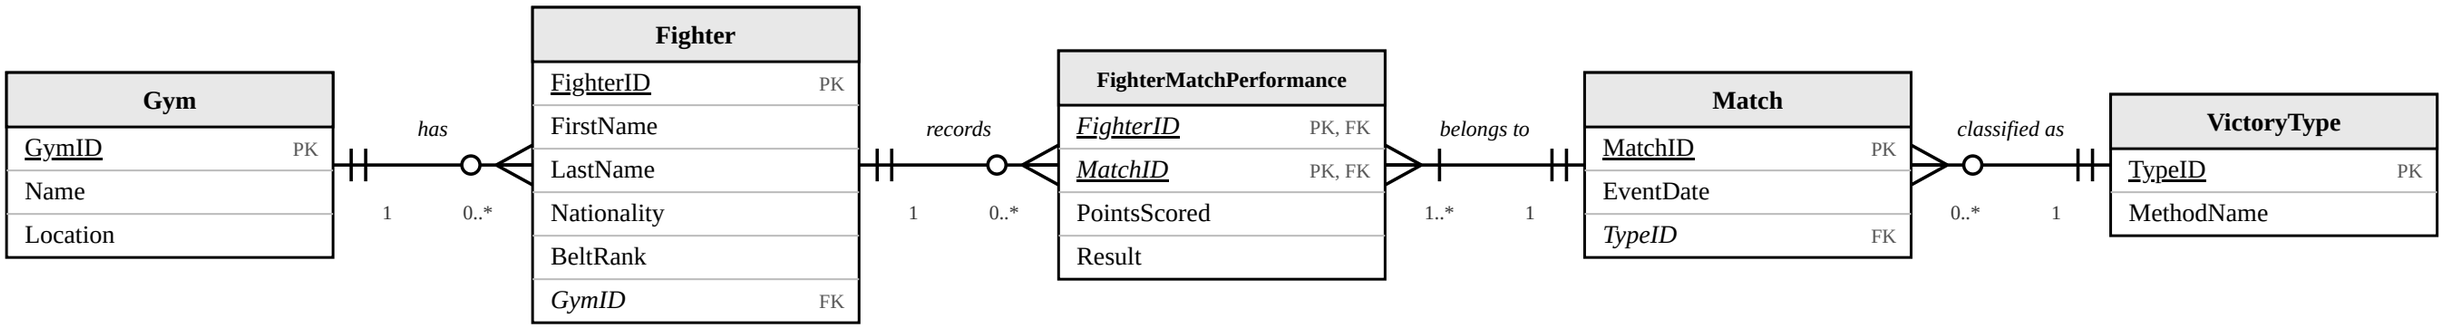
BJJ Match Tracking System - Reference ERD (crow's foot notation)



Legend

Underlined = primary key (PK) *Italic* = foreign key (FK) Underlined + italic = part of the composite PK that is also an FK

Right-hand symbol at each line end: || exactly one (mandatory) o< zero or many (optional) |< one or many (mandatory) - the inner bar/circle is the participation indicator

Note: the composite key (FighterID, MatchID) resolves the many-to-many between Fighter and Match. Draw it on draw.io yourself and check participation against your own decisions.
